Rail Surveillance System

†733. SHRI JHUMUK LAL BHENDIA: Will the Minister of RAILWAYS be pleased to state:

(a) whether it is a fact that the Rail Surveillance System has fallen prey to negligence and mismanagement;

(b) whether it is also a fact that any concrete scheme is not being effected with a view to making the rail journey more comforting, reliable and systematic;

(c) if so, the reasons for the same not being taken seriously by Government; and

(d) if not, the reasons for the recent spate in rail accidents throughout the country and the negligence towards security?

THE MINISTER OF STATE IN THE MINISTRY OF RAILWAYS (SHRI O. RAJAGOPAL): (a): No, Sir. Indian Railways accord highest priority to safety in train operations. However safety on Indian Railways is an on going and continuous process. A number of safety measures are already being used on Zonal Railways with a view to make journey of passenger and goods trains safe and comfortable.

(b) to (d) Concrete steps have been initiated by Railways to avoid accidents on account of human failure and latest technology and sopisticated devices are being used within the available resources by Railways to make the train travel more safe, reliable and comfortable. In first quarter of this financial year there were 92 accidents as compared to 119 accidents during the same period last year. As per the constitution, maintenance of law and order on the Railways including running trains is the responsibility of the State Governments. The Railways maintain close co-ordination with the State Authorities at all levels to ensure adequate security to the travelling public.

Over-crowded trains in Eastern Railways

734. SHRI JIBON ROY: Will the Minister of RAILWAYS be pleased to state:

(a) whether Government are aware that the Asansol-Burdwan trains in Eastern Railways are running over-crowded and have become source of hardship to people; and
